PROFESSIONAL EXPERIENCE

ASU:

Tempe, AZ

Venture Capital Analyst

August 2024 – May 2025

- Spearhead due diligence and financial modeling on 10+ early-stage startups using PitchBook and public databases, resulting in 3 finalist investment pitches to VC partners
- Conduct market and financial analysis including TAM/SAM/SOM research and comparable company valuation using revenue multiples, informing investment committee decisions
- Build scenario-based valuation models using Excel to forecast investor returns (IRR), enhancing capital deployment strategy with data-driven insights on expected payback periods, exit multiples, and sensitivity to revenue growth assumptions
- Deliver investment memorandums and present findings to a cross-functional committee of professors, VC analysts, and entrepreneurs, influencing funding recommendations

Equity Methods:

Scottsdale, AZ

Equity Compensation Externship

December 2024 - December 2024

- Analyzed Fortune 500 case studies to project equity compensation expenses and identify stock award trends, uncovering patterns in stock dilution impact and payout structures that inform evaluation of executive incentives, long-term value creation
- Developed SAS - and Excel models to estimate fair value and forecast the cost of RSUs and stock options over 3 - to 5-year periods, leveraging inputs such as historical stock volatility, risk-free rates, grant schedules, and vesting timelines
- Evaluated proprietary equity data and drafted strategic recommendations based on long-term incentive design and peer analysis, deepening understanding of executive compensation planning

L'Oréal:

Tampa, FL

Finance Intern

June 2024 – August 2024

- Streamlined the invoice processing workflow by identifying bottlenecks and automating steps, reducing processing time by 30% and improving vendor responsiveness
- Performed account reconciliations by identifying and resolving discrepancies in vendor account activity, ensuring accurate ledger balances and supporting the integrity of financial statements
- Assisted in reconciliations and audit prep, ensuring data accuracy and process consistency across corporate finance functions

ASU Enterprise Partners:

Tempe, AZ

Accounting Intern

August 2023 - May 2024

- Created monthly financial reporting packages that tracked budget vs. actuals across departments, providing visibility into spending patterns and equipping leadership with actionable insights to adjust allocation strategies and improve financial efficiency
- Performed account reconciliations by tracking discrepancies and resolving them, helping maintain the integrity and accuracy of internal financial systems
- Supported monthly close activities, ensuring timely and accurate reporting while gaining firsthand exposure to nonprofit financial operations

EDUCATION

Arizona State University - W.P. Carey School of Business

Tempe, Az

B.S. in Finance and Computer Information Systems

GPA: 3.80

PROJECT

Confidential Mid-Market LBO Case Study – Calaveras Vineyards:

April 2025

- Assessed the buyout of a mid-market wine producer using anonymized real-world deal data, focusing on capital structure, returns analysis, and sponsor strategy
- Built an Excel LBO model to evaluate IRR, MOIC, and cash flows under various operating and exit scenarios, incorporating sources & uses, debt schedule, and performance sensitivities
